**Laser Machine
Manufacturer**

BrighTech Laser

Fiber Laser Marking Machine Q Switched Fiber Laser Marking System are safe, state-of-the-art and alternatives for Nd:YAG and Nd:YVO4 Lasers (Lamp-pumped, side-pumped diode and End-pumped diode). Components including a Q Switched Fiber Laser or MOPA Fiber Laser with Scan Head, Industrial PC Controller, Power Supply, Marking Software and Laser safety enclosure

"We Are Committed To Customer Satisfaction"

Established in the year of 2010, we "BrighTech Laser"

are the Manufacturer, Wholesaler, Trader and Exporter of an extensive array of Laser Marking Machine, Fiber Laser Marking Machines, Laser Hallmarking Machine, Jewellery Cutting Machine, Mild Steel Engraving Machine, Laser Welding Machine, Laser Sheet Metal Cutting Machine, Jewellery Soldering Machine, etc. We direct all our activities to cater the expectations of customers by providing them excellent quality products as per their gratifications. Moreover, we follow moral business policies and crystal pure transparency in all our transactions to keep healthy relations with the customers. For our accomplishment story, we are grateful to our Mentor Mr. Mehul Thummar, whose continual backing and direction have been useful to us for attaining exponential development in the current market.

Features

With international high-quality fiber laser, it can mark all sorts of precise patterns according to customer requirements.

Multiple power laser light source, available for many industries.

Fast speed, high efficiency, stable output power, high reliability.

Small and compact size, easy to carry, save production space.

Long life, maintenance-free within 1,00,000 hours, operated in 24 x 7 hours working condition.

High electro-optic conversion efficiency, little energy coupling loss, less power consumption with just 0.5 kW/hr.

Why Choose Us ?

No Maintenance

Low Electricity Cost

Easy Operate

Portable Laser Marking Machine

Laser Marking Machine

Handheld Portable

Typical Applications

Laser marking & Engraving on:

- Hardware Fittings & Tools
- Automobile Parts
- Utensils
- Dies & Moulding
- Watch, Eyewear and Fashion accessories
- Panels & Control Boards
- Electronic Accessories
- Gold Jewellery Design & Hall Marking
- Engineering
- Solar Industry
- Tools and Tooling
- Aerospace and Defence
- Kitchenware and Bath fittings Items
- Medical and Surgical Instruments
- Led Lights and Components
- Garment Accessories
